

## Storm Data and Unusual Weather Phenomena - January 2011

Location	Date/Time	Deaths & Injuries	Property & Crop Dmg	Event Type and Details
----------	-----------	-------------------	---------------------	------------------------

### IOWA, Northeast

(IA-Z010) WINNESHIEK

01/28/11 19:00 CST	4K	Winter Weather
01/29/11 00:00 CST	0	

A light snow event on the 28th transitioned to freezing drizzle before ending during the early morning hours of the 29th. The freezing drizzle created icy roads and six people were injured in an accident on U.S. Highway 52 south of Decorah (Winneshiek County).

### WISCONSIN, Southwest

(WI-Z033) TREMPLEALEAU, (WI-Z042) MONROE, (WI-Z044) ADAMS

01/28/11 19:45 CST	6K	Winter Weather
01/29/11 02:30 CST	0	

A light snow event on the 28th transitioned to freezing drizzle before ending during the early morning hours of the 29th. Four people were injured in three separate accidents across Monroe County. The freezing drizzle created icy conditions and was responsible for several other accidents across western Wisconsin.

(WI-Z033) TREMPLEALEAU, (WI-Z034) JACKSON, (WI-Z041) LA CROSSE, (WI-Z042) MONROE

01/29/11 18:30 CST	10.60K	Winter Weather
01/30/11 03:45 CST	0	

For the second night in a row, freezing drizzle developed across western Wisconsin. One death and two injuries occurred in an accident on County Highway C north of West Salem (La Crosse County). Several other accidents occurred which resulted in some injuries as a result of the slippery conditions produced by the freezing drizzle. The freezing drizzle started during the evening of the 29th and continued into the early morning of the 30th before ending.
